Reminder that the New Business section of the May 15, 2013 Annual Members Meeting is being held this Saturday, June 8, 2013 at the Macey Center on the Tech campus. Plenty of parking, air conditioning, comfortable seating and restroom facilities this time. Registration from 1 p.m. to 3 p.m.; continuation of Business Session at 3 p.m. when we will “consider” the Resolutions passed at the District 5 members’ meeting on Oct. 27, 2012. These resolutions should have been on the 2013 Annual Members Meeting ballot but were blocked by the Board of Trustees and their lawyer along with SEC management. This trio is desperately trying to block any conversation about these resolutions and their passage. They declared a non-quorum and the members countered with the Reconvened Meeting. Come out and make your voices heard.

At this meeting you will see SEC Reform tables with petitions calling for a Special Members Meeting on July 27, 2013. Stop by and sign the petition so members can vote and pass the District 5 Resolutions. These resolutions are needed to curb the power of board, lawyer, and management which seems determined to stifle any opposing viewpoints and make the coop into their private kingdom. The harassment of Charlie Wagner, Charlene West and other individuals is repulsive and very expensive in lawyers’ fees. The petitions can also be downloaded at www.informedcynic.com and used to gather signatures in your neighborhood.
