

The Legislative Interim Committee on Water and Natural Resources will meet in Socorro Sept 29-30 and the Augustin Plains Ranch project is on the agenda. The agenda is attached. If you can attend it will let the committee know that we are serious about our opposition. We should let the committee know that!

The location of the meeting appears at the top of the agenda. Below is a map showing the way to the Fidel Center where the meeting will be. If you'd like to car pool please call me at 575-772-5866. I suggest that we go on the second day, September 30. [Click here for agenda](#) .
